## The Magic Sleigh Ride

Happy, happy, happy, happy. Gliding through the snow.

Happy, happy, happy, happy. Faces all a-glow.

Mountains and trees fly by, under a clear blue sky.

Thank you horses for a lovely ride.

Thank you for friends, all joyful at my side.

Through the town and meadows we all go.

Gliding, gliding, gliding through the snow.

Happy, happy, happy, happy. Gliding through the snow.

Happy, happy, happy, happy. Faces all a-glow.

Mountains and trees fly by, under a clear blue sky.

Bon jour to all, we say.

Then we all wave, then we all wave, then we all wave,

Good bye.
